## *The New Diplomacy*

"Accompanying the treaties I bring to you the complete minutes of both plenary sessions and committee meetings, and a copy of the official report made to me by the American delegation to the conference.

"Both the complete minutes and the official report of the American delegation are new accompaniments to the executive report of a treaty or treaties, but they are fitting testimonials to that open and simpler diplomacy for which the world has contributed largely to the success asked, and the practice of which contributed largely to the success of the conference so recently adjourned. I trust they will facilitate that ample and helpful understanding which is desirable in the senate, and reflect that understanding which was the keynote of the conference itself."
